"Encourage, Equip, and Empower women to become all God created them to be."

January 2025

Greetings from Beautiful Life Ministries Inc,

We, at Beautiful Life Ministries, are so thankful for your generosity in 2024! You have made a significant difference for the kingdom of God. We pray you have received great blessings and continue to reap the blessings of the generosity you have sown in the new year. Because of you, and your giving, we were able to show the love of God, tangibly, to many in our community.

We started 2024 with very cold temperatures. We were able to help get 7 people/families with hotel rooms to get out of the cold. We received a report that one of those people now has permanent housing, a car and is doing well. One of the ladies is back with her family and is now employed.

Throughout the year we have also assisted 5 people with utility bills to stay warm and prevent evictions, 7 with rent and or deposits to obtain housing, 8 families with food, and 1 widow with much needed appliances.

Let us be reminded and encouraged that small act of generosity and obedience to God's word (Matthew 25:35-40) to feed the hungry, clothe the poor can have a profound ripple effect, spreading hope and inspiring positive change. Even the smallest seeds planted can grow into something great, bringing light to others and creating a lasting impact to live a Beautiful Life in Christ.

We hosted our 1st annual "Come Away with Me" retreat. With your support we were able to provide several scholarships for some that would not have been able to attend without assistance. We had a total of 10 women in attendance. We taught on worship, who we are in Christ, forgiveness and enjoyed fellowship, times of prayer, worship, and attended the Passion Play as a group.

Ecclesiastes 3:11 "He has made everything Beautiful in its time"

Weekly, we meet to share fellowship, a meal, and to study the word of God. The food and materials are free to all who come.

Please keep us in your prayers as we look to God for provision this coming year to help more people! We are continuing our bible studies, planning the 2nd “Come Away with Me Retreat” as well as assisting women in need with food, housing and utilities. We are thankful for the support from each of you and we are excited for the amazing things in the coming year! Truly, it is more blessed to give! Thank you.

God Bless,
